 Draft Laytonville Landfill Briefing Document.docx

Jeff,

As you mentioned, it seems that this will probably not be a topic of discussion now between the RA and CA EJ Coalition, but Steve had already started gathering this old info on the topic from when Stoker met with them in 2018, on the small chance you might need it.

Please see info below, but Martha is meeting with CA EJ Coalition on Friday and they are asking for any applicable talking points. The previous meeting the group had with Mike Stoker in 2018 had the topic of Laytonville Rancheria on it. Do you know of any happenings around this tribe that might be of interest to the group?

Thanks,

All-

Request for input/ideas quickly.

Since I believe you are already involved with AG/Enf, Patti can you coordinate any input for our division?

Thanks!

SMT,

On Friday, Martha will have a meet-and-greet with members of the California Environmental Justice Coalition. If you have any particular items you are aware CEJC is interested in, could you send brief bullets (1-3 sentences, I don't want this to be labor-intensive unless you find it to be of value to present longer-format info). By 4pm Thursday please.

Thank you!
